

March 8

No cat no scat
Cat makes me happy
Scat makes me happy
Don't stop
Go
There's a chump with an empty shirt
There's a chump with an empty skirt
Restez-vous
Arrest them too
Gogo-a-go go
Feel that fenal blast
Same old thing
Same old sing
That man did it on the installment plan
He was inside for probably less than a minute
And it did not feel like eternity
Underwater country music
Is not my cup of tea
Nevertheless
The boat is clearly sinking
To the left to the left of the keyboards
Silence is golden
Silence is unbearable
