

October 13

Sit on the drum
End the drone
Stop the movie
In the sun stream
Where's the sub screen
Homo Property
Uncle Betty
Tilt the screen
Chroma bean
The Left indented
To the run done drummer
Yes strip to the right
But you run in a circle
Androgen hooves have echoes
Where are your props
Where are your tops
End Zone keys
Ten bouncers
Ten sponsors
Enter the mallets
Into the night
April tone
Able tongues
Run for ten seconds
And pick up the loot
Practice the flute
Flip on the roof
Inventing a roof
Prolonging a route
Ignoring the loop
Back to the forum
An orgy with quorum
And these bells they do tingle
Ringle and tingle
Watch dee watch
Please prolong
If the culture misbehaves
